Benefiting Arts Council Northeast*

We Need YOU!

With support from valued donors and sponsors, Taste of Northeast has kicked off the holidays with fabulous food and fun for the past 17 years. An auction donation offers visibility and recognition while making you and your company part of the event's excitement!

Our fall fundraiser, the 17th annual **Taste of Northeast**, attracts between 1,000 and 1,500 attendees who enjoy "tastes" of wonderful food and drink supplied by area restaurants, amazing entertainment and auctions, plus gift vendors for holiday shopping! Please join us . . .

**Wednesday, November 9, 2016
5:30 – 8:30 PM
at the Hurst Conference Center
1601 Campus Drive – Hurst, Texas 76054**

Through sponsorships, ticket sales, and auction revenue, event funds Arts Council programs like our Community Arts Programs including Summer Arts Camps which had 516 children participating last summer where we were able to offer 362 full and/or partial scholarships, so once again **no child was turned away** and Art on Wheels that serves Senior Citizens at area Senior Centers and retirement communities. Moreover, in partnership with the Texas Commission on the Arts, we have given \$1.5 million in grants to various entities to support the arts and artists in our communities. In conjunction with our 16 partner cities, we are presenting 70 MasterWorks concerts throughout the year, continuing our mission of making the arts accessible to all.

Please review the attached **Taste of Northeast** auction donation menu to choose your level of support. We hope you will consider donating at the highest level possible, since the great response to last year's event is sure to bring even more attendees this year.

We would be happy to visit with you personally about this outstanding promotional opportunity. **If you are already sold, simply complete the enclosed donor form and return by mail, fax, or e-mail.** If you have questions, please feel free to give any of us a call.

Very truly yours,

Lee Koch – MA, CFR
Arts Council President
